ASSIGNMENT**COPY**

I hereby declare that I am an inventor of the invention relating to **HYDROXYLAMINE DERIVATIVES USEFUL FOR ENHANCING THE MOLECULAR CHAPERON PRODUCTION AND THE PREPARATION THEREOF** described in an application for Letters Patent of the United States of America filed on July 18, 1997, under Application Serial No. 08/860,582 using the above-listed Attorney Docket Number.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby sell, assign, and transfer to Biorex Research & Development Co. having a place of business at H-8201 Veszprém-Szabadságpuszta, P.O.B. 348, Hungary, its successors, and assigns, my entire right, title, and interest, for all countries in and to said inventions, and all the rights and privileges under any and all applications and Letters Patents that may be granted therefor, and any divisions, continuations, reissues, and extensions thereof.

I agree that, when requested, I will, without charge to said corporation but at its expense, sign all papers, take all rightful oaths, make all rightful declarations, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents or other forms of protection for said inventions in any and all countries, and for vesting title thereto in said corporation, its successors, assigns, or nominees.

I agree that I will communicate to said corporation or its representatives any facts known to it respecting said inventions and, when requested by said corporation in any legal proceedings, and generally do everything possible to aid said corporation, its successors, assigns, and legal representatives or nominees, to obtain or enforce proper protection for said inventions in any and all countries.

I authorize and empower said corporation, its successors, assigns or nominees, to make application for patent or other form of protection for said inventions in its or their own name, or in my name, in any and all countries, and to invoke and claim for any application for patent or other form of protection for said inventions, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this Assignment shall be deemed a full, legal, and formal equivalent of any Assignment, consent to file or like document, which may be required in any country for any purpose, and more particularly, in proof of the right of said corporation or its successors, assigns or nominees to apply for additional patents or other proper protection for said inventions, and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

PATENT

Attorney Docket no.: D2198-00003

I covenant with said corporation, its successors, assigns, legal representatives, and nominees, that to the best of my knowledge the right, title, and interest herein conveyed by me are free and clear of any incumbrance, and that I have full right to convey the same as herein expressed.
